Dear Sir,

Reference:- This Office No.B1-1978 dated 23-5-42 and B 2087/41-42 dated 20th June, 1942 -- Land in the Jalahalli area for Indian General Hospital and convalesent Depot.

In continuation of the above communications, I beg to state that on an intimation from the Head Quarters, Bangalore Area, I met yesterday General Money, Madras District, Commander Wellington who has come down to Bangalore and Brigadier Dods, Commander, Bangalore Area and proceeded with the later and his staff Officers to the sites selected for the above purposes. In the opinion of the Military Officers an area of not less than 100 acres for the Hospital and about 40 acres for convalesent Depot are the minimum requirement. This would be possible only if the entire area to the east of Jalahalli road from the pipe line upto the Ry. line together with the land already selected to the west of the same road viz. 43 Acres 21 Guntas, are taken to make up 100 acres for the Hospital. A separate plot of 40 acres on the northern side of the Railway line towards Jalahalli selected by them will be the site for convalesent Depot.

They promised to send formal proposals for these plots through the usual channel. The new scheme will involve acquisition of certain private casurina groves also.

On receipt of further instructions with a plan, necessary action will be taken to submit definite proposals about the compensation payable and other details.

In the present proposal also, care has been taken to exclude the Palace property i.e. S.No.11 of Tanneranahalli village measuring 13 acres 38 guntas.

p.t.o.

A rough sketch of the proposed new sites is enclosed for favour of proposal.

Subject:- Lands required for Indian Military Hospital near Jalahalli - lease of -

With reference to the correspondence ending with your memo No.319/W. dated 20th July 1942 on the above subject, I have the honour to state that it is reported by the Civil Officer, Bangalore, (copy enclosed for favour of reference), that the total extent required for the Hospital is 95 acres 16 guntas as per the revised plan. The lease amount at Rs.20/- per acre has to be paid on 84-1 (A. G.) which works up to Rs.1,680-8-0. A sum of 0-9-0 being double the assessment is payable in respect of an extent of 0-12 (A. G.) which is lying banjar. The value of casurina trees standing on an extent of 9 acres 13 guntas comes to Rs.1417-8-0. Thus, the total amount payable for the current year comes to Rs.3,098-9-0. No compensation is claimed in respect of "Gundu Tope" measuring 0-38 (A. G.) and phut kharab of 0-27 (G.) guntas.

2. As regards the land for the convalescent Depot on the northern side of the Railway line, the total extent required by the Military authorities is 49 acres 11 guntas. The Military authorities want to occupy the casurina plantation for the recreation of the convalescents. According to this arrangement, the recurring & lease amount payable comes to Rs.793/- and the non-recurring melki value of Rs.1522-3-0. The total amount thus payable for the current year is Rs.2320-3-0 and Rs.950-8-0 from the year 1943-44. The total cost payable in respect of both the areas viz., for the Hospital as well as for the Convalescent Depot is noted in the margin:

Sir,

Lands for Indian General Hospital and Convalescent Depot in Jalahalli.

With reference to your letter No.R.F.185-42/Pol. dated the 28th August 1942 on the above subject, I am directed to state that there is no discrepancy in regard to the amount of compensation payable from next year. The total extent requiredfor the hospital is 95 acres and 16 guntas comprising (1) 84 acres and 1 gunta in respect of which lease amount at Rs.20/- per acre is payable this year and (2) 12 guntas banjar in respect of which double assessment, viz., 9 annas is payable, (3) 9 acres and 18 guntas under casuarina plantation in respect of which only the value of the trees is payable this year and lease amount at Rs.20/- per acre will be payable from next year and (4) 125 acres consisting of gundu tope etc., in respect of which no assessmen is proposed to be demanded. Thus from the next year onwards the lease amount has to be paid in respect of items (1) & (3) above i.e., 93 acres and 19 guntas together with double assessment of 9 annas/-. This works up to Rs.1870-1-0.

95-16
47-27
143-3

As regards the amount for the Convalescent Depot, the total extent is 47 acres and 27 guntas of which 7 acres and 31 guntas are now under casuarina plantation. During the current year the lease amount demanded is in respect of 39 acres and 36 guntas only (and the value of the trees standing on the remaining extent of 7 acres and 31 guntas also payable in and...) From next year onwards the lease amount

at Rs.20/- per acre will be payable on the entire extent of 47 acres and 27 guntas (including the area now under cultivation) and this amounts to Rs.953-8-0.

The aggregate amount of lease in respect of both the blocks thus works up to Rs.1870-1-0 plus Rs.953-8-0 (or Rs 2822.9-) as mentioned in the Dy. Commr.'s letter dated the 27th July 1942 (a copy of which was forwarded with this office letter No.Pol.142 dated the 27th July 1942.)
